

U-SHARE APP

TERMS OF SERVICE & USER AGREEMENT | Last Updated: May 2026

This agreement outlines the rules and regulations for the use of the **U-SHARE** mobile application. By accessing or using this application, you accept these terms in full.

1. Acceptance of Terms

By downloading, installing, or using the U-SHARE mobile application, you agree to be bound by these terms. If you do not agree to all of the terms and conditions stated on this page, do not continue to use the app.

2. Purpose of the App

U-SHARE is a crowdsourced, location-based platform designed for community members to find and share local shopping deals, flyer specials, and store discounts in real-time. The goal is to support local economies and help neighbors save money.

3. User Content & Conduct

- **Accuracy:** You agree to only post deals that are accurate and currently available to the best of your knowledge.
- **Photo Content:** Any photos uploaded (e.g., store displays, flyer prices) must be your own work and must not contain private, sensitive, or offensive information.
- **Respectful Interaction:** Users must respect local merchants and store staff. U-SHARE is a tool for community support, not for harassment, spam, or misleading information.

4. No Guarantee of Prices

U-SHARE acts as a community message board. We do not guarantee that a store will honor a price or deal posted by another user. All final transactions and price verifications are strictly between the merchant and the customer.

5. Privacy & Location

To provide local deal data, U-SHARE requires access to your location services. We are committed to protecting your privacy; your personal data is used solely for the functionality of the app and is not sold to third-party advertisers.

6. Limitation of Liability

Henry Langlois and U-SHARE APP are not responsible for any financial disputes between users and merchants, or for any inaccuracies, errors, or omissions in user-generated content.

7. Pilot Phase Notice

As U-SHARE is currently in its pilot phase (Témiscaming/North Bay), we reserve the right to modify, pause, or update features and terms as we refine the experience for our users.
